

TO THE END, TOGETHER:

GRASSROOTS RESILIENCE THROUGH COMMUNITY

ACTION TOOLKIT

The climate justice movement needs all of us - frontline activists, policy writers, political campaigners, and communicators - and we need each other in community to combat the climate crisis.

Want to take action for climate justice but don't know how? We got you covered. These organizations have a variety of ways to get involved and you can pick what fits best for you.

WATCH TO THE END

See how other folks are fighting for climate justice in To The End (streaming on Hulu). You can also [host a screening](#) for your community!

LISTEN TO [HOW WE GET FREE](#)

Learn how to make a difference in your community with actionable steps straight from the folks on the frontlines of the fight for liberation.

JOIN THE FRONTLINES WITH SUNRISE MOVEMENT

Take climate action with folks in your area! [Join a Sunrise Hub](#) near you and attend one of their welcome calls!

RUN WINNING CAMPAIGNS AS A MOVEMENT SCHOOL FELLOW

Dive into political campaigns and support climate justice candidates! Follow Movement School and [join their Campaign Fellows program](#) to learn the exact skills you'll need to succeed.

WRITE PROGRESSIVE POLICY WITH ROOSEVELT NETWORK

Want to learn how to write progressive policy like the Green New Deal for your local/state community? [Apply to a Roosevelt Network fellowship](#) to build and strengthen policy skills.

FOLLOW THESE ORGANIZATIONS & STAY UP TO DATE ON THEIR ACTIONS!
